A. PREAMBLE

This scheme of arrangement ("**Scheme**", as more particularly defined hereinafter) is presented under Sections 230-232 and other applicable provisions of the Companies Act, 2013 and provides *inter alia* for demerger of the Demerged Undertaking (*as defined below*) of Dhampur Sugar Mills Limited and transfer of the same to Dhampur Bio Organics Limited ("**Demerger**") and matters consequential or connected therewith pursuant to the provisions of the Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions thereof read with Section 2(19AA) of the IT Act (*as defined below*), and the SEBI Circular (*as defined below*).

The equity shares of the Demerged Company are listed on BSE Limited and the National Stock Exchange of India Limited.

DHAMPUR BIO ORGANICS LIMITED is a public company, limited by shares, incorporated under the provisions of the Companies Act, 2013 under Corporate Identity No. U15100UP2020PLC136939 having its registered office at Sugar Mill Compound, Village Asmoli, District Sambhal, Moradabad - 244304, Uttar Pradesh ("**Resulting Company**"). The objects of the Resulting Company are similar to those of the Demerged Company, i.e. to carry out the dealing in and manufacturing of sugar, power and industrial alcohol, ethanol, chemicals and potable alcohol.

C. CIRCUMSTANCES FOR DEMERGER

The Demerged Company was established in the year 1933 with a single sugar manufacturing unit at Dhampur, Uttar Pradesh, having a capacity of 300 tonnes of cane crushing per day (TCD). Over the years, the Demerged Company has grown manifold under the aegis of Goel families (being the promoters / promoter group of the Demerged Company), supported by other stakeholders, by exponentially expanding its core business of sugar manufacturing as well as commencing various allied businesses.

Over the years the Demerged Company expanded its business by setting up necessary facilities for using by-products of sugar for co-generation of power; it also started supply of power to the state grid. The Demerged Company has also made commercial use of the other by-product, molasses, to manufacture industrial alcohol, ethanol, chemicals and potable alcohol. Once again capitalizing on favourable regulatory developments allowing mix of ethanol in petrol, the Demerged Company set up manufacturing facilities of ethanol having capacities of 400 kilo litres per day in its integrated sugar complexes at Dhampur and Asmoli.

The Demerged Company has now evolved from one sugar factory to five independent integrated sugar complexes having aggregate capacity of 45,500 tonnes cane crushing per day alongwith power co-generation, industrial alcohol, ethanol, chemicals and potable alcohol. Recognizing changing trends in consumer behavior, the Demerged Company has also introduced branded sugar under the brand name 'Dhampur'. The growth outlook for both, sugar (branded and unbranded), and ethanol as products is promising.

The journey thus far has been under the stewardship of the promoter-manager families presently represented by Mr. Gaurav Goel and Mr. Gautam Goel, jointly who are both Managing Directors.

It is now proposed, by way of the Demerger, to segregate the management and ownership of the different integrated manufacturing facilities/units of the Demerged Company for cane crushing, co-generation of power and industrial alcohol, ethanol, chemicals and potable alcohol between the Demerged Company and Resulting Company without splitting any of such standalone manufacturing units. This will enable creation of two separate platforms for maximum exploitation of each of the above business opportunities through each of the Companies (*as defined below*), including in particular by streamlining management and administration and enabling the pursuit of diverse and independent strategic aspirations, in a manner that unlocks and maximises value for all shareholders and drives future strategic growth under the overall Dhampur legacy.

D. RATIONALE

- (i) The proposed Demerger will create opportunities for pursuing independent growth and expansion strategies in the segregated businesses and effectively unlock value of each of the manufacturing units. The Demerger also represents an opportunity for the public shareholders to exploit the individual potential of both Companies.
- (ii) The segregation will allow each of the Companies to create a strong and distinctive platform with more focused management teams, which will enable greater flexibility to

pursue long-term objectives and independent business strategies. The structure will streamline management and provide diversity in decisions regarding the use of respective cash flows for dividends, in capital expenditure or other reinvestment in their respective business, and in being able to explore varied investment opportunities and attract various investors and strategic partners.

- (iii) The business units of the Demerged Company are independent, self-sufficient in raw material, and standalone integrated, and would continue to function with efficiency, efficacy and synergies after the Demerger, and transition will be largely seamless.
- (iv) The Demerger at this juncture will also create a framework for succession planning including long term leadership of each Company with a view to ensure that the management and ownership model of the Demerged Company is not hindered by fragmentation of ownership and dispersed leadership over time as the promoter-manager families move closer to a generational shift, which may be detrimental to the Demerged Company, business and stakeholders. Instead, following the Demerger, the management of each Company and ownership of the promoter-managers in each Company will remain consolidated within a family group and will be lean and agile. This will also ensure long term stability including through continued maintenance of goodwill and harmony and allow for succession planning in an orderly and strategic manner without any business disruption.
- (v) The shareholding of public shareholders following the Demerger will remain the same in both Companies and shareholder value, across Companies, will be preserved and remain unchanged.

E. OPERATION OF THE SCHEME

- (I) The Demerged Undertaking of the Demerged Company is proposed to be demerged and transferred to the Resulting Company for achieving the above mentioned objectives, pursuant to Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions thereof read with Section 2(19AA) of the IT Act (*as defined below*), and the SEBI Circular (*as defined below*).
- (II) The Resulting Company shall issue and allot equity shares to all the shareholders of the Demerged Company in proportion to their shareholding in the Demerged Company, as consideration for the transfer of the Demerged Undertaking (*as defined below*). The Demerger of the Demerged Undertaking in accordance with this Scheme shall take effect from the Appointed Date and shall be in accordance with Section 2(19AA) of the IT Act, such that:

- (g) The Demerger is in accordance with the conditions, if any, notified under sub-section (5) of section 72A of the IT Act, by the Central Government in this behalf.

- 6.2 Where any of the Transferred Liabilities have been partially or fully discharged by the Demerged Company after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on account of the Resulting Company, and all liabilities and obligations incurred by the Demerged Company for the operations of the Demerged Undertaking which forms a part of the Demerged Company after the Appointed Date and prior to the Effective Date shall be deemed to have been incurred for and on behalf of the Resulting Company, and to the extent they are outstanding on the Effective Date, shall also without any further act or deed be and stand transferred to the Resulting Company and shall become the liabilities and obligations of the Resulting Company. It shall not be necessary to obtain the consent of any third party or other person who is a party to any contract or arrangement by virtue of which such debts, obligations, duties and liabilities have arisen in order to give effect to the provisions of this Clause 6.
- 6.3 The term "Transferred Liabilities" shall mean:

AND

DHAMPUR BIO ORGANICS LIMITED

AND

THEIR RESPECTIVE SHAREHOLDERS AND CREDITORS

(UNDER SECTIONS 230 TO 232 OF THE COMPANIES ACT, 2013)

A. PREAMBLE

This scheme of arrangement ("**Scheme**", as more particularly defined hereinafter) is presented under Sections 230-232 and other applicable provisions of the Companies Act, 2013 and provides *inter alia* for demerger of the Demerged Undertaking (*as defined below*) of Dhampur Sugar Mills Limited and transfer of the same to Dhampur Bio Organics Limited ("**Demerger**") and matters consequential or connected therewith pursuant to the provisions of the Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions thereof read with Section 2(19AA) of the IT Act (*as defined below*), and the SEBI Circular (*as defined below*).

B. DESCRIPTION OF THE DEMERGED COMPANY AND THE RESULTING COMPANY

DHAMPUR SUGAR MILLS LIMITED is a public company, limited by shares, incorporated under the provisions of the Companies Act, 1913 under Corporate Identity No. L15249UP1933PLC000511 and having its registered office at Dhampur, district Bijnor, Uttar Pradesh- 246761 ("**Demerged Company**"). At present, the Demerged Company has five manufacturing units situated at: (i) Dhampur, district Bijnor, (ii) Mansurpur, district Muzaffarnagar, (iii) Rajpura, district Sambhal, (iv) Asmoli, district Sambhal and (v) Meerganj, district Bareilly, all in the State of Uttar Pradesh, having manufacturing facilities of sugar, power, industrial alcohol, ethanol, chemicals and potable alcohol with different capacities. The equity shares of the Demerged Company are listed on BSE Limited and the National Stock Exchange of India Limited.

DHAMPUR BIO ORGANICS LIMITED is a public company, limited by shares, incorporated under the provisions of the Companies Act, 2013 under Corporate Identity No. U15100UP2020PLC136939 having its registered office at Sugar Mill Compound, Village Asmoli, District Sambhal, Moradabad - 244304, Uttar Pradesh ("**Resulting Company**"). At present, all the shares of the Resulting Company are held by the Demerged Company and its nominees, such that the Resulting Company is a wholly owned subsidiary of the Demerged Company. The objects of the Resulting Company are similar to those of the Demerged Company, i.e. to carry out the dealing in and manufacturing of sugar, power and industrial alcohol, ethanol, chemicals and potable alcohol.

C. CIRCUMSTANCES FOR DEMERGER

The Demerged Company was established in the year 1933 with a single sugar manufacturing unit at Dhampur, Uttar Pradesh, having a capacity of 300 tonnes of cane crushing per day (TCD). Over the years, the Demerged Company has grown manifold under the aegis of Goel families (being the promoters / promoter group of the Demerged Company), supported by other stakeholders, by exponentially expanding its core business of sugar manufacturing as well as commencing various allied businesses.

Over the years the Demerged Company expanded its business by setting up necessary facilities for using by-products of sugar for co-generation of power; it also started supply of power to the state grid. The Demerged Company has also made commercial use of the other by-product, molasses, to manufacture industrial alcohol, ethanol, chemicals and potable alcohol. Once again capitalizing on favourable regulatory developments allowing mix of ethanol in petrol, the Demerged Company set up manufacturing facilities of ethanol having capacities of 400 kilo litres per day in its integrated sugar complexes at Dhampur and Asmoli.

The Demerged Company has now evolved from one sugar factory to five independent integrated sugar complexes having aggregate capacity of 45,500 tonnes cane crushing per day alongwith power co-generation, industrial alcohol, ethanol, chemicals and potable alcohol. Recognizing changing trends in consumer behavior, the Demerged Company has also introduced branded sugar under the brand name 'Dhampur'. The growth outlook for both, sugar (branded and unbranded), and ethanol as products is promising.

The journey thus far has been under the stewardship of the promoter-manager families presently represented by Mr. Gaurav Goel and Mr. Gautam Goel, jointly who are both Managing Directors.

It is now proposed, by way of the Demerger, to segregate the management and ownership of the different integrated manufacturing facilities/units of the Demerged Company for cane crushing, co-generation of power and industrial alcohol, ethanol, chemicals and potable alcohol between the Demerged Company and Resulting Company without splitting any of such standalone manufacturing units. This will enable creation of two separate platforms for maximum exploitation of each of the above business opportunities through each of the Companies (*as defined below*), including in particular by streamlining management and administration and enabling the pursuit of diverse and independent strategic aspirations, in a manner that unlocks and maximises value for all shareholders and drives future strategic growth under the overall Dhampur legacy.

D. RATIONALE

- (i) The proposed Demerger will create opportunities for pursuing independent growth and expansion strategies in the segregated businesses and effectively unlock value of each of the manufacturing units. The Demerger also represents an opportunity for the public shareholders to exploit the individual potential of both Companies.
- (ii) The segregation will allow each of the Companies to create a strong and distinctive platform with more focused management teams, which will enable greater flexibility to

pursue long-term objectives and independent business strategies. The structure will streamline management and provide diversity in decisions regarding the use of respective cash flows for dividends, in capital expenditure or other reinvestment in their respective business, and in being able to explore varied investment opportunities and attract various investors and strategic partners.

- (iii) The business units of the Demerged Company are independent, self-sufficient in raw material, and standalone integrated, and would continue to function with efficiency, efficacy and synergies after the Demerger, and transition will be largely seamless.
- (iv) The Demerger at this juncture will also create a framework for succession planning including long term leadership of each Company with a view to ensure that the management and ownership model of the Demerged Company is not hindered by fragmentation of ownership and dispersed leadership over time as the promoter-manager families move closer to a generational shift, which may be detrimental to the Demerged Company, business and stakeholders. Instead, following the Demerger, the management of each Company and ownership of the promoter-managers in each Company will remain consolidated within a family group and will be lean and agile. This will also ensure long term stability including through continued maintenance of goodwill and harmony and allow for succession planning in an orderly and strategic manner without any business disruption.
- (v) The shareholding of public shareholders following the Demerger will remain the same in both Companies and shareholder value, across Companies, will be preserved and remain unchanged.

E. OPERATION OF THE SCHEME

- (I) The Demerged Undertaking of the Demerged Company is proposed to be demerged and transferred to the Resulting Company for achieving the above mentioned objectives, pursuant to Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions thereof read with Section 2(19AA) of the IT Act (*as defined below*), and the SEBI Circular (*as defined below*).
- (II) The Resulting Company shall issue and allot equity shares to all the shareholders of the Demerged Company in proportion to their shareholding in the Demerged Company, as consideration for the transfer of the Demerged Undertaking (*as defined below*). The Demerger of the Demerged Undertaking in accordance with this Scheme shall take effect from the Appointed Date and shall be in accordance with Section 2(19AA) of the IT Act, such that:
 - (a) All the properties of the Demerged Undertaking as on the Appointed Date shall be transferred to and become the properties of the Resulting Company by virtue of this Scheme;

- (e) All the shareholders of the Demerged Company as on the Record Date shall become the shareholders of the Resulting Company by virtue of this Demerger;
- (f) The transfer of the Demerged Undertaking shall be on a going concern basis; and
- (g) The Demerger is in accordance with the conditions, if any, notified under sub-section (5) of section 72A of the IT Act, by the Central Government in this behalf.

If any of the terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of Section 2(19AA) of the IT Act, at a later date, including resulting from an amendment of law or for any other reason whatsoever, the provisions of Section 2(19AA) of the IT Act shall prevail and the Scheme shall be modified, in accordance with Clause 30, to the extent determined necessary to comply with Section 2(19AA) of the IT Act. Such modifications shall however not affect the other parts of the Scheme.

- (III) Immediately following the issue and allotment of the New Equity Shares (*as defined below*) by the Resulting Company to the equity shareholders of the Demerged Company, the existing shareholding of the Demerged Company and its nominees in the Resulting Company will stand cancelled, extinguished and annulled which shall be regarded as reduction of share capital of the Resulting Company.
- (IV) Following the completion of the issuance and allotment of shares of the Resulting Company to all the shareholders of the Demerged Company as above, GV Promoter Group (*as defined below*) shall subsequently transfer the equity shares held by them in the Resulting Company to GT Promoter Group and GT Promoter Group (*as defined below*) shall transfer the equity shares held by them in the Demerged Company to GV Promoter Group, in accordance with this Scheme.

It is pertinent to note that all the business units at five locations are proposed to be segregated on standalone basis i.e. no part of a business unit at one location is being segregated and each business unit maintains separate accounts and prepares its own financial statements i.e. all assets and liabilities, including debt.

It may be observed from the abovementioned facts that both the companies after the scheme shall be able to discharge its liabilities and sustain on its own with comfortable financial health as on appointed date.

5. A declaration of the Company, Promoters, Directors of all the companies involved that they are not willful defaulters, fraudulent borrowers. :

Declaration from GV Promoter Group, GT Promoter Group, Whole Time Directors and Independent Directors of Dhampur Sugar Mills Limited (Demerged Company) and Directors of Dhampur Bio Organics Limited (resulting Company) are enclosed as Annexure 1.

6. If the scheme involves unlisted company/ies, undertaking from the company that applicable information pertaining to the unlisted entity/ies involved in the scheme will be included in the format specified for abridged prospectus as provided in Part E of Schedule VI of the ICDR Regulations, 2018, in the explanatory statement or notice or proposal accompanying resolution to be passed, which is sent to the shareholders for seeking approval. :

The same is enclosed as Annexure 2.

7. A detailed statement on the synergies being achieved with the proposed demerger of the demerged undertaking and the share transfers between the Promoter Groups as prescribed in the part III of the scheme:

- I. The business operations of Dhampur Sugar Mills Limited (the “**Demerged Company**”) primarily comprise five standalone units, each having capabilities for manufacturing sugar, power co-generation and manufacturing of industrial alcohol, ethanol, chemicals and potable alcohol. The journey thus far has been under the stewardship of the promoter-manager families presently represented by Mr. Gaurav Goel and Mr. Gautam Goel, jointly who are both Managing Directors.
- II. It is now proposed, by way of the Demerger (as defined in the Scheme), to segregate the management and ownership of the different integrated manufacturing facilities/units of the Demerged Company for cane crushing, co-generation of power and industrial alcohol, ethanol, chemicals and potable alcohol between the Demerged Company and Dhampur Bio Organics Limited (the “**Resulting Company**” and together the “**Companies**”) without splitting any of such standalone manufacturing units.

- III. This will enable creation of two separate platforms for maximum exploitation of each of the above business opportunities, including in particular by streamlining management and administration and enabling the pursuit of diverse and independent strategic aspirations, in a manner that unlocks and maximises value for all shareholders and drives future strategic growth under the overall Dhampur legacy.
- IV. The share transfers between the Promoter Groups (as defined in the Scheme) form an integral part of the Scheme of demerger, and seek to effectively segregate the management and ownership of the different integrated manufacturing facilities/units without splitting any of such standalone manufacturing units, between the two promoter-manager Goel families.
- V. Following the Demerger and share transfers between the Promoter Groups, the management of each of the Companies and ownership of the promoter-managers in each of the Companies will remain consolidated within a family group and will be lean and agile. This will also ensure long term stability including through continued maintenance of goodwill and harmony and allow for succession planning in an orderly and strategic manner without any business disruption.
- VI. Since the business units of the Demerged Company are independent, self-sufficient in raw material, and integrated on a standalone basis, they would continue to function with efficiency, efficacy and synergies after the Demerger, and the transition will be largely seamless. **Accordingly, while maintaining existing business synergies within each of the integrated units, the Demerger will achieve unlocking of potential value and drive strategic growth with greater focus and agility.**
- VII. In addition, as noted in the rationale to the Scheme, the proposed Scheme will enable:
- (i) Exploitation of two independent businesses
- (a) The Demerger will provide for the maximum exploitation of each of the above business opportunities through each of the Companies, and will create opportunities for pursuing independent growth and expansion strategies in the segregated businesses and effectively unlock value of each of the manufacturing units.
- (b) The segregation will enable more focused and streamlined management and provide nimbleness and diversity in decisions, including regarding the use and allocation of capital, exploration of varied investment opportunities and attracting various investors and strategic partners.
- (ii) Framework for succession planning and stability in long-term leadership:
The Demerger at this juncture will also create a framework for succession planning including long term leadership of each of the Companies with a view to ensure that the management

and ownership model of the Demerged Company is not hindered by fragmentation of ownership and dispersed leadership over time as the promoter-manager families move closer to a generational shift, which may be detrimental to the Demerged Company, business and stakeholders.
