Record Date and Shareholder entitlement:

- The Company has fixed January 17, 2024 as the Record Date ("Record Date") for the purpose of determining the Buyback entitlement and the names of the Equity Shareholders, who will beeligible to participate in the
- In due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") 13.2. along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.
 - As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode only, within two (2) working days from the Record Date and that if any shareholder requires a physical copy of the Letter of Offer, a request has to be sent to the Company or Registrar to the Buyback and the same shall be provided.
- The Equity Shares proposed to be bought back by the Company shall be divided into two categories; (i) reserved category for Small Shareholders as defined below and (ii) the general category for all other Eligible Shareholders. A "Small Shareholder" (as defined in Regulation 2(i)(n) of the Buyback Regulations) is a shareholder who holds Equity Shares having market value, on the basis of closing price of shares on the Stock Exchanges, on which the highest trading volume in respect of the Equity Shares as on the Record Date was recorded, is not more than ₹ 200,000 (Rupees Two Lakh Only).
- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders of this Buyback
- Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Share's held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. The Company shall accept all the Equity Shares validly tendered in the Buyback by Eligible Shareholders, on the basis of their Buyback Entitlement as on the Record Date, Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback
- In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the Equity Shares held by such shareholders with a common Permanent Account Number (PAN) for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity Shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent (the "Registrar") as per the shareholder records received from the depositories.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category
- The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
- The maximum tender under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.
- The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through the Stock Exchange pursuant to Tender-Offers under Takeovers, Buy-Back and Delisting" notified by SEBI Circulars.
- Participation in the Buyback by Shareholders will trigger the Buyback Tax in India and such tax is to be discharged by the Company. Any income received by Eligible Shareholders pursuant to the Buyback of shares will not be included in the total taxable income of such Shareholders. The Buyback will also be chargeable to securities transaction tax in India. The Shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback.

The extent of their participation in the Buyback has been detailed in Paragraph 8 below of this Public Announcement.

The Equity Shares are listed on the Stock Exchanges. The Equity Shares shall be bought back on a proportionate basis from all the equity shareholders of the Company as on the Record Date ("Eligible Shareholders") through the tender offer route, as prescribed under Regulation 4(iv)(a) of the Buyback Regulations, and subject to applicable laws and SEBI Circulars. Once the Buyback is concluded all Equity Shares purchased by the Company in the Buyback will be extinguished in terms of the Buyback

The Buyback will not result in any benefit to promoters, promoter group or persons in control of the Company or any directors of the Company except to the extent of the cash consideration received by them from the Company pursuant to their respective participation in the Buyback in their capacity as equity shareholders of the Company and the change in their shareholding as per the response received in the Buyback, as a result of the extinguishment of Equity Shares which will lead to reduction in the equity share capital of the Company, post Buyback. In due course, Eligible Shareholders will receive a letter of offer ("Letter of Offer"), which will contain a more detailed note on taxation. The funds required for implementation of the Buyback (including the Transaction Costs) will be sourced out of the cash and cash equivalents of the Company or such other source as may be permitted by Buyback Regulations or the Companies Act.

The Company shall transfer from its free reserves and/or such other sources as may be permitted by law, a sum equal to the nominal value of the Equity Shares bought back through the Buyback to the capital redemption reserve account and the details of such transfer shall be disclosed in its subsequent audited financial statements.

- The Company has fixed January 17, 2024 as the Record Date ("Record Date") for the purpose of determining 13.1. the Buyback entitlement and the names of the Equity Shareholders, who will beeligible to participate in the
- In due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.

As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode only, within two (2) working days from the Record Date and that if any shareholder requires a physical copy of the Letter of Offer, a request has to be sent to the Company or Registrar to the Buyback and the same shall be provided.

- The Equity Shares proposed to be bought back by the Company shall be divided into two categories; (i) reserved category for Small Shareholders as defined below and (ii) the general category for all other Eligible Shareholders. A "Small Shareholder" (as defined in Regulation 2(i)(n) of the Buyback Regulations) is a shareholder who holds Equity Shares having market value, on the basis of closing price of shares on the Stock Exchanges, on which the highest trading volume in respect of the Equity Shares as on the Record Date was recorded, is not more than ₹ 200,000 (Rupees Two Lakh Only).
- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part
- Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. The Company shall accept all the Equity Shares validly tendered in the Buyback by Eligible Shareholders, on the basis of their Buyback Entitlement as on the Record Date. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback
- In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the Equity Shares held by such shareholders with a common Permanen Account Number (PAN) for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity Shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/frusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent (the "Registrar") as per the shareholder records received from the depositories.
- 13.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category
- The participation of the Fligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
- The maximum tender under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.
- The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through the Stock Exchange pursuant to Tender-Offers under Takeovers, Buy-Back and Delisting" notified by SEBI Circulars.
- Participation in the Buyback by Shareholders will trigger the Buyback Tax in India and such tax is to be discharged by the Company. Any income received by Eligible Shareholders pursuant to the Buyback of shares will not be included in the total taxable income of such Shareholders.
